

**We offer a rental option on
Cameron/Barton Chart Meters.**

Give us a call today for more information!

The 202E is a 12-inch chart recorder that has been widely used in gas transmission and distribution fields – accurate calibration, even under extreme variations in static pressure and ambient temperatures.

The 202E is available in 1 to 4 pen configurations (DP+3 additional pens). The additional pens can be used to record temperature and supplemental pressure data.

Already own a Barton Chart Meter?

We sell recording charts and all replacement parts for the Barton Chart Meters. Give us a call, and we will get you what you need.
